

DR. SHILPA BANSAL

CONSULTANT NEPHROLOGY

PROFILE

I specialize in nephrology, gaining a solid foundation in hemodialysis, peritoneal dialysis, transplant care and hypertension management.

I am dedicated to providing comprehensive care for patients with a diverse range of kidney disorders, including chronic kidney disease, glomerulonephritis, and electrolyte imbalances.

My expertise includes interpreting lab results, conducting thorough patient assessments, collaborating with interdisciplinary teams to optimize developing personalized treatment plans.

I am committed to staying current with advancements in nephrology, ensuring optimal adherence to established protocols, fostering patient education for proactive kidney health.

WORK EXPERIENCE (6+ YEARS)

Paras Health, Panchkula

Consultant Nephrology

FEB 2024- PRESENT

- Spearheaded the operations of a high-volume hemodialysis unit, overseeing the delivery of over 1000 hemodialysis treatments per month, encompassing modalities such as SLED, HDF, and CRRT.
- Implemented enhanced treatment protocols and patient follow-up schedules, resulting in improved dialysis outcomes and patient satisfaction.
- Established and managed a dedicated acute kidney injury unit, facilitating rapid assessment of renal function and timely intervention for patients requiring urgent care.
- Fostered a collaborative, multidisciplinary approach to patient care, integrating holistic treatment strategies and optimizing department efficiency.

S.C.B. Govt. Medical College

Senior Resident Nephrology

JAN 2021- JAN 2024

- Procedures: Proficient in performing kidney biopsies (300+ with high success rate and minimal complications).
- Community Outreach: Participated in 100+ public health seminars on kidney disease prevention and early management.
- Transplant Experience: Assisted in 100+ kidney transplants (live donor, deceased donor, ABO-incompatible).
- Research & Development: Active in promoting clinical research for new nephrology medications.

GMCH-32, Chandigarh

Senior Resident

FEB 2020- DEC 2020

- Attended daily OPD cases and handled emergency cases.
- Mentoring residents and pursuing ongoing learning.
